

Chris Williams, Ed.S.
Pickens High School Assistant Principal
Supervisor of Discipline and Attendance

As a 23 year public school veteran I am looking forward to the challenges that a new school year will bring. I join all of you in wanting the very best for our students here in Pickens County. I am excited to be a small part of such a great school system and will work diligently to make sure that our students are physically present in the classroom and are given the opportunity to learn in a non disruptive environment.

I believe that communication with all stakeholders is key to the success of your student and I will always strive to keep you informed. Please feel free to contact me anytime with any questions or concerns that you may have. Remember "EVERY DAY IS A GREAT DAY TO BE A DRAGON"
