It's time to learn about you

First Name _____
Sally

Last Name _____
Sample

Email _____
ss12345@students.pickenscountyschools.org

Phone _____

Zip Code _____

7. Click **Let's Start**

Things to keep in mind before you start this assessment:

- This aptitude assessment is broken up into 11 short 8-10 minute exercises.
- You can take a break *after* any exercise, but not during the middle!
- This is *not* an intelligence test, a personality test, nor a test that you can study for. This is simply an assessment that you can use to help identify potential careers that match your interests and natural abilities.

8. Click the **Get Started** tab on the APTITUDE + INTEREST = SUCCESS! section.

**** If you have already completed the APTITUDE + INTEREST = SUCCESS assessment, then please review your results and use this time to explore and research the careers that are suggested as a strong overall fit for you, as well as those careers that are a strong fit for your interests and aptitudes.
