

Dual Enrollment Self-Assessment 2022/ 23

Please see the information below to determine which Dual Enrollment option best fits your career goals. Check your choice and follow the directions.

Option A College Academic Core

- If you seek Dual Enrollment Degree level coursework to gain credit toward **both** high school and college graduation requirements, watch the Option A Academic Core PowerPoint located on the PHS website→Counseling tab→Dual Enrollment.

Option A Technical Electives

- If you seek to attend Chattahoochee Technical College to gain technical skills in trades such as Welding, Automotive Technology, Auto Collision Repair, etc. with the possibility to gain technical certificates, watch the Option A Technical Electives PowerPoint located on the PHS website→Counseling tab→Dual Enrollment.
 - This option adds elective credits to your transcripts, just as CTAE courses at PHS.
First block Bus Transportation can possibly apply

Option B Workforce Ready Graduation Plan

- If you wish to reduce the number of academic classes taken at PHS.
- If you wish to gain Technical College credit in GADOE approved technical skills trades such as Welding, Automotive Technology, Auto Collision Repair, etc. while obtaining postsecondary certificates or a technical college diploma in the approved programs of study.
- If you wish to complete your high school graduation requirements while full time at Chattahoochee Technical College.
- If you **do not** wish to attend a 4-year college directly after high school.

Watch the Option B Workforce Ready Graduation Plan PowerPoint located on the PHS website→Counseling tab→Dual Enrollment.

The informational PowerPoints can be found at this link: [PHS Dual Enrollment Website](#)

What next? Follow the “How to Begin Dual Enrollment FY 2022” directions:
