

The Community Foundation of Northwest Georgia is pleased to offer the Lyda Walden Fletcher Scholarship in the amount of \$1,000 to qualified students from Pickens County, Georgia. This Scholarship honors Lyda Walden Fletcher, a teacher who loved life, was fierce about reading, and loved to see her students learn. Mrs. Fletcher had that special ability to help her students go just a little farther than expected.

Lyda Walden Fletcher moved to Pickens County during the latter half of her life after a career as a teacher in the Atlanta public schools. She ran a farm, worked with the Head Start Program, and started an Empty Stocking Christmas program for needy children. She volunteered in hospitals and nursing homes, she tutored local children, and she was always interested in the people she was with. She loved her friends, she loved her family and she loved the countryside and people of Pickens County. Her family and friends have established this scholarship in her honor.

To be eligible for the scholarship, you must:

- Have resided in Pickens County for at least 24 months prior to graduation from high school.
- Be a high school senior graduating from a public high school in Pickens County.
- Have achieved a high school grade point average (GPA) of at least 3.5.
- Plan to attend an accredited two-year or four-year college with the intent of pursuing a baccalaureate degree.

The scholarship will be awarded based on a combination of factors including:

- Academic achievement
- Leadership potential
- Well-defined goals and aspirations
- Balanced extra-curricular activities
- Financial need
