***\*\*Administration reserves the right to limit a student's participation in school-related activities that interfere with the instructional day (i.e. Field Trips, Conferences, Competitions, Sporting Events, etc.) at 10 absences in any class. Excused medical absences will be looked at on a case-by-case basis.***

### **Legal absence from school:**

A student shall not be absent from school or from any class or other required school activity except for reasons listed below, unless with prior written permission of the principal or designee. No student shall encourage, urge, or counsel other students to violate this policy. **Georgia State Board of**

**Education policy states that children may be temporarily excused from school for the following reasons:**

1. Personal illness.
2. A serious illness or death in the student's immediate family.
3. Religious holidays.
4. Absences mandated by order of governmental agencies.
5. Inclement weather – (conditions which render attendance impossible or hazardous to the student's health and safety).
6. Serving as a Page in the General Assembly.
7. Students age 18 or over shall be excused (1) day to either register to vote or to go vote.
8. A student whose parent or legal guardian is in the US Armed Forces/National Guard, has been called to duty for, or is on leave from, overseas deployment to a combat zone or combat posting, will be granted up to five (5) excused absences per school year for the days missed from school to visit with the parent or legal guardian prior to such deployment or during such leave.

**Notification and Monitoring**

Student absences will be monitored daily by the principal or his/her designee. Parents will be notified of excessive or unexcused absences and such notice will be documented by the school.

- a. **Upon the fifth (5<sup>th</sup>) total unexcused absence a letter will be mailed to the parent/guardian and a referral will be made to the attendance officer or school social worker.** At this time, the Student Services Department will contact the parent/guardian to schedule an Attendance Support Team (AST) meeting. If the attempts to schedule an AST meeting are ignored, the parent will be referred to Magistrate Court where a fine will be enforced.

- b. **Upon the sixth (6<sup>th</sup>) unexcused absence** a direct referral to court shall be made by the Attendance Officer or Social Worker for breach of AST contract.

**After each absence, upon returning to school, students are required to furnish a note within 5 school days from the parent and/or physician. Notes will not be accepted after 5 school days. The note must contain the following information:**

2. The number of days and dates of the absence(s)
3. The student's first and last name
4. The parent or physician signature

Student's will present the note to the administrative/clerical staff and will be issued an early dismissal pass. Students **will not** be released on a note alone; parental permission **MUST** be given over the phone in **every case**. The student's name will be placed on the daily attendance sheet under early dismissals with the time noted.

**No Check-outs after 2 PM.**

In the event of an emergency, the student's parents/guardian of their designees will be contacted by phone and arrangements will be made for the student to check out.

**From the time students arrive on campus, students who leave school campus at any time must first check out through the office. A student who comes on campus then leaves without checking out will be treated the same as skipping.**

## **Students counted present in class**

**Students are counted present for the day if they have been present for 1/2 of their scheduled classes for that day.** Students should be counted present when they are actually present in class, when serving as an official page in the legislature, when assigned in-school suspension, when representing the school at a school function, or when served by the hospital/homebound teacher.

## **Minimum attendance requirements**

Students are required to be counted present a minimum of 85 out of 90 class periods per semester. **Those students accumulating five unexcused absences in a class will be submitted to the attendance officer or school social worker for review.** Transfer students will be subject to the same policy with their previous attendance record accompanying them.

## **Make-up procedure for work missed**

Following an excused absence, a Pickens High School student will have three (3) school days to request make-up academic assignments from teachers. Teachers will have three (3) school days to provide the requested make-up assignments. Teachers may initiate the make-up assignments, or require alternative assignments from students who have been absent, but ultimately it is the student's responsibility to request assignments. Failure to satisfactorily complete make-up assignments within ten (10) school days of the absence will result in the ***student not receiving any credit for the make-up assignment(s).***

***\* See departments' syllabi for procedures related to turning in late work.***

## **Hospital/Homebound**

If medically extended absences are necessary, hospital/homebound instruction is available for students who meet certain criteria. You must contact the county office at (706) 253-1700 to obtain papers to begin hospital/homebound services.

\*\*The State of Georgia does not provide homebound instruction for students who are pregnant; therefore, students who are pregnant are not eligible for homebound services. There must be a medical condition other than pregnancy that qualifies a student for homebound services.

## **TARDY /UNEXCUSED CHECK-IN/OUT TO CLASS POLICY**

**Students should be in the classroom when the tardy bell rings at the beginning of school and at the beginning of each class period. Any student who is not in class when the bell rings is considered tardy. Students who are tardy to school should report to the front office to receive a tardy slip. Students who are tardy to other classes will be counted tardy by the teacher and put into Infinite Campus. Students who check in later than halfway through the class period will be counted absent. Tardy, Unexcused Check-outs and Unexcused Check-ins are all calculated cumulatively (added together for all classes) for the consequences below. The tallies are accumulated per semester. Consequences for students who violate this policy are as follows for each class:**

## **CERTIFICATE OF ENROLLMENT/ADAP CERTIFICATION**

The Teenage and Adult Driver Responsibility Act requires that schools must verify that students between the ages of 15 -18 are currently enrolled in school to receive a Georgia driver's permit or license. It is required that students obtain a Certificate of School Enrollment when receiving a learner's permit, and obtain another Certificate of School Enrollment and an ADAP Certification when receiving a driver's license.

The Certificate of School Enrollment and the ADAP Certification must be requested from the front office at **least two school days in advance.**

## **DISCIPLINE**

Pickens High School has implemented a school-wide discipline program. Building level and classroom level interventions have been established to help promote positive student behavior at school. Students are trained how to be respectful, responsible and safe at school. It is the desire of the PHS school administration and staff to help students obtain the necessary behavioral skills to be successful after they graduated from high school.

Classroom discipline will still be the responsibility of the teacher. A student's failure to comply with the teacher's actions due to a disciplinary problem will result in the student being referred to the administration. As noted above, teachers will handle disciplinary problems that arise in the classroom. Examples of these problems are class disruptions, unauthorized printed matter, tardiness, cheating, and use of mild profanity. The administration will deal with actions such as forgery of a staff member's name and insubordination. Repeat offenders of this nature will result in stronger actions being taken.

The administration will deal with actions such as disrespectful conduct, bullying, insubordination, obscene acts, class cuts, violations of the dress code, and other matters that result in loss of instructional time by parent conferences, suspension of driving/parking privileges on campus, extended detention, in-school suspension or suspension from school. Repeat offenses of this nature will result in stricter measures being used to discipline the student. Any student in an unsupervised area before school, break or during class will be treated as skipping. Extreme actions by students such as fighting, theft, possession of drugs or alcohol, possession of a weapon, or other activities that would result in the disruption of normal school activities will be handled as major disciplinary problems. This can result in extended detention time, loss of privileges/activities, in-school suspension, out-of-school suspension or expulsion. Any activity that is a violation of the State of Georgia's law can result in the above disciplinary actions being taken and a referral being made to the local law enforcement agency. Vandalism of school property will be treated as a major offense and will result in suspension or expulsion.

***\*When a student is suspended from school or assigned to in-school suspension, the parents will be notified as to the length of the assignment.***

Any student who represents Pickens High School and is involved in disciplinary problems should be aware that he/she can be dismissed from the activity, event or sport for the remainder of the school year. If the incident results in suspension or expulsion, the student is not permitted to be involved in, or at any school activity or event.

**\*\*ALL MATERIAL POSTED AT PICKENS HIGH SCHOOL MUST BE APPROVED BY THE ADMINISTRATION. DISCIPLINARY ACTION MAY RESULT IF THIS PROCEDURE IS NOT FOLLOWED.**

### **PACE (Pickens Alternative Center for Education)**

Provides a placement for students who are expelled from school for disciplinary action. These students will continue to be enrolled in the PCSD. Students will complete their classes in an online environment.

### **Pickens Virtual Academy**

Provides an environment for students to work independently at home using an online delivery model (Pearson Connexus). These students will continue to be enrolled in the PCSD.

## **GUIDANCE AND COUNSELING**

**Students are assigned to counselors by the first letter of their last name.**

The primary goal of the comprehensive PHS counseling program is to promote the success and overall well-being of each PHS student. Our program helps students succeed by utilizing consultation and collaboration with a variety of stakeholders. Those stakeholders include but are not limited to the following: the student, parents/guardians, teachers/staff, administration, social workers, mental health providers, and outside organizations.

**There are several objectives and tasks of the professional school counseling services at PHS that includes:**

Assisting students in their self-understanding, self-development, and self-evolution. Individual and/or group counseling are used to aid in helping students to develop sound methods of self-appraisal as well as healthy communication/social skills.

Assisting students in developing healthy decision making and critical thinking skills. Formulation of tentative plans based on utilization of student strengths and interests is an integral part of the program.

Providing appropriate information and assistance to students that help them in making their own personal, social, educational, and vocational decisions. Our goal is to help students gather the information and resources needed to make the best decisions for themselves.

Collaborate and consult with teachers and staff regarding students. By collaborating and consulting with the teachers and staff of PHS, the counseling program is best able to advocate for the needs of the student. The professional school counselors will provide meaningful interpretation of any information given to staff to best help them in designing

the educational needs of the students and the overall educational program at PHS.

The comprehensive PHS counseling program will assist teachers and staff in understanding and meeting the special needs, abilities, limitations, and exceptionalities of our students. Recognition of these needs and abilities will often be interpreted from tests and pertinent data.

The school counselors will help the teachers and staff to understand the student population in which they serve so that they are as multiculturally respectful and competent as possible to the needs of our PHS students.

Through collaboration with a variety of community stakeholders, the comprehensive PHS counseling department will provide the students, families, and staff of PHS with appropriate and helpful community resources.

Assistance to parents/guardians will be provided so that they can best help their children/students be successful. The PHS professional school counselors will aid parents in their children's educational success by coordinating individual conferences as needed in which special concerns and needs are explained. This will assist both the school and home to coordinate together.

The PHS professional school counselors will aim towards helping the students, parents/guardians/families, and staff of PHS to understand the function and goals of both PHS and the comprehensive PHS counseling department. Student, parental/familial, and staff understanding of PHS and its programs is sought through orientation meetings, individual conferences, and the PHS counseling department. It is our hope that students and their parents/guardians will view PHS as an ally in the student's overall educational journey and success. With the help and collaboration of the students'

parents/guardians, PHS hopes to play a major role in helping students develop and evolve into the best and healthiest versions of themselves.

Students who lose books will be required to pay for the book immediately. A record should be made of this order that the fine be returned if the book is found. book.  $3/5 \times \$6.00 = \$3.60$ . This is the fine to the student. Excessive wear indicates that the life of the book will be reduced one year. The fine would be  $1/5$  of the cost of the book.
